

PRIVATE PREVIEW · BY INVITATION

The Hacienda *Journey*

A private flight. A 30-acre hacienda outside Guadalajara.

A world of tequila and ceramic craft opened for a private circle.

Four chapters. One uncommon experience.

Pick from a three to a five-day travel package (with optional private travel to Mexico City) designed as a continuous journey from private terminal to La Hacienda and back with every transition handled personally.

I Private Flight

Package includes door-to-door car service, a chef's choice catering experience in flight, and discounted hourly rates on the aircraft of your choice for 1–14 passengers.

II The Hacienda and Factory

A guided walk through the 30-acre hacienda, including the tequila and ceramics workshops.

III

Master Distiller Tasting

A private tasting shaped by Clase Azul México's distilling team, with rare cask selections available only within La Hacienda.

IV

The Table

A candlelit dinner at OYA, with a six-course expression of contemporary Mexican cuisine paired at the table.

From runway *to table.*

A sample rhythm, refined around origin city, party size,
and the pace of the invitation.

A shared respect for *the human touch.*

TrueSkies and Clase Azul México are united by an obsession with craft, hospitality, and the belief that excellence is most meaningful when it feels personal.

This journey brings those worlds together: private aviation shaped around the guest, and a house where spirit, ceramic, architecture, and cuisine are considered as one.

October 2026. *Invitation only.*

A limited number of dates are planned around the Día de los Muertos release, offered privately through Clase Azul México's collector circle and TrueSkies Reserve.

There is no open booking cart.
